

Day 1

Our adventure begins as we drive along the California Coast on our way to America's 7th largest city. San Diego is known for its natural beauty, great weather and surprises at every turn. No wonder it is referred to as America's Finest City. We will have a lunch break paired with fun stops on the way to Humphrey's Half Moon Inn. Located on Shelter Island, surrounded by the San Diego Bay with views of Downtown San Diego's skyline. This San Diego inn also provides guests with live entertainment at the Backstage Music Club. Here you will have time to relax before we head to dinner at a Tom Ham's Lighthouse. For four decades people have been coming here for the award-winning seafood and the amazing views of the Downtown City Skyline, Coronado & San Diego Bay.

Day 2

After breakfast we will board our coach for a 90-minute narrated tour of San Diego where we will learn about the city's rich history. Our tour will end at Seaport Village, an abundant waterfront collection of shops and restaurants. Here, you can grab a bite to eat, browse at some of its 70 specialty establishments or visit the USS Midway. We will provide shuttles back to the hotel.

This evening we are off to enjoy the Padres vs. Dodger Game at Petco Park. This beautiful stadium is considered by many to be the best ballpark in baseball. With great weather, great food, unique characteristics, great site-lines, and plenty of enjoyable restaurants and bars around the ballpark, it's very hard for any other city in baseball to match San Diego's baseball experience. Besides how many other stadiums can say their left field foul pole is as unique as San Diego's since it's a part of the hundred-year-old Western Metal Building

Stops may vary and return times are approximates.
