

On today's journey with Curt & Anh we will enjoy the scenic beauty and breathe in the crisp, clean mountain air while enjoying a country meal in Oak Glen at Riley's at Los Rios Rancho. This historic apple orchard in the heart of apple country has over 20 apple varieties and makes for a fun and delicious day!

We will savor a down-home meal that includes your choice of slow-roasted tri-tip or BBQ chicken, red potato salad, cowboy beans, biscuit with apple butter, and a slice of apple pie for dessert. Drinks include freshly pressed apple cider, coffee and iced tea.

Enjoy the sounds by Riley's own three-piece country band as they sing some of the old favorites from bygone times. You will have time to visit the old apple packing house and enjoy an included hay ride, (in a wagon pulled by horses or one of the farms hardworking tractors) Your guided trip includes interesting historical facts and information about how the farm functions and of course you will have ample time to shop at the country store where you may want to pick up a jar of delectable jam, pumpkin butter, warm apple pie, a jug of freshly-pressed cider or other goodies to take back home.

Tour includes roundtrip deluxe motor coach transportation with water on board, lunch at Riley's, entertainment by The Mountaineers, hayride and Curtis & Anh Tucker as your tour guides.

Return time may vary.
